3105 E. Main Street, Mesa, AZ

The subject property is a 9,273 square foot office/warehouse building that was built in 1999. The building is currently being used for auto sales and repairs. The building is concrete tilt-up construction. There is a two-story office in the front and service bays in the back with six 20'x14' double wide roll-up doors. The clear height in the garage is 18'. The lifts in the garage are included in this sale. There are compressed air lines and electric power distributed throughout the garage. There is a restroom in the office and in the garage. The rear parking area is walled and has a manual sliding security gate. There is a lot of parking for this type of building and by double parking you can put even more cars in the lot.

This would make an ideal owner/user building for an automotive business or other type of business needing a warehouse and paved fenced yard area. Alternatively, the building could be bought by an investor and leased to generate a 7+ cap rate.

Superstition Highway (60) is just two miles to the south and the Loop 202 is just over four miles to the north.
