Taiwan Semiconductor Manufacturing Company is set to put \$40B into their second facility to be built in North Phoenix, Arizona. TSMC is one of the top 10 most valuable companies in the world and has their hand in creating key components for things from cell phones, to F-35 fighter jets and hold a current market value of over \$550B.

TSMC has plans to begin operations in 2027 and will provide over 4,500 jobs directly and nearly 10,000 supply-chain related positions. Prior to opening it's doors, TSMC has created 21,000 job positions in construction alone.
